### Things to REMEMBER...

We ask you to bring your child in a few minutes early to get them situated with the environment and to guarantee a correct time to start the class.

Attendance will now be taking by the Coaches cellular phone. The information is protected by our firewall and with Jackrabbit Security. No information stays on the Coaches cellular phone. All information is safeguarded by our server. If you have any questions, please don't hesitate to contact Merle about our privacy policy.

Important - We ask that every child under 3 years old be accompanied by an adult. If they are 3 years old and are enrolled in the 3 All Me class, we ask the parent to remain in the facility but, are not required to be on the floor with their child. Please have your child attend the bathroom prior to class.

### Clothing & Water

Please prepare your child for their classes by having their own water bottle, snack and/or any extra necessity needed for a successful gymnastics class. For clothing we find that the best uniform to go with is something that is comfortable, a shirt/leggings/shorts. Make sure the shirt is not too big or baggy; or else the child might catch their clothing on the equipment. We do practice a lot of upside-down skills. Bare feet are required for minimal slippage.

Have a wonderful Weekend. If you have any further questions/comments please feel free to email : [merle@waylandsports.com](mailto:merle@waylandsports.com) or call at **604-275-1888**

Thank you for choosing Wayland Sports as your choice for Gymnastics/Swim Instruction. We appreciate your business.
